FROM CITY HALL

*Project Updates***Lead Service Line Verification**

The verification project is complete. We verified the material of 225 randomly chosen service lines in the community. We found that 75% of sampled houses had lead in some portion of the water service line. All lead service lines will be replaced as part of our upcoming water infrastructure project.

Kensington Water Main

The water main and all lead service lines will be replaced on Kensington in late 2022 or early 2023. The city has worked with Congressman Levin's office on a direct \$650,000 Federal funding allocation towards this project. The timing of the project will depend on the Federal funding. If we receive Federal funds, there will be additional administrative steps in the process which will likely push the project start date to spring of 2023.

Water Infrastructure

The Citizens Advisory Committee continues to work towards a recommendation for how to best fund the water infrastructure project. The city has applied to the State drinking water revolving loan fund for the water infrastructure project. All Federal infrastructure bill money for water infrastructure is being released through the State revolving loan funds. This year the State received \$1.1 billion in

Street Sweeping

This year we will be cleaning the streets on the fourth Wednesday and Thursday of each month. We are asking that residents remove all parked cars from the street on these days to allow us to do a complete cleaning of the street. Parked cars slow down the sweeping process and prevent us from cleaning all parts of the street.

applications and has about \$250 million in funding (which includes the Federal infrastructure money). It will be a competitive process to access that money.

Woodward

A project to add two-way cycle tracks along both sides of Woodward from 8 mile to 696 is underway. The project is being funded primarily by grants from MDOT and EGLE. In Pleasant Ridge, we will also be reconstructing the Woodward streetscape on the northbound side to add green infrastructure to capture rainwater and return it to the ground instead of our combined sewers. **Project updates available at www.cityofpleasantridge.org/completestreets**

Construction is expected to start in late summer or early fall on these projects.

Woodward Heights

The City has retained Toole Design to work with residents on traffic issues on Woodward Heights. The consultant will meet with residents, study traffic patterns, and identify potential improvements we can make to address existing issues. The City will provide more information about how residents can participate in this process once the project begins later this spring.

Notes from the
**PR Historical
Commission**

Your Historic Commission is planning to sell **Pleasant Ridge ornaments** from Pewabic pottery in the summer or early fall. We are in the process of choosing the color now and finalizing the delivery with Pewabic. Be on the lookout for this special keepsake.

The book, ***Pleasant Ridge Then and Now II***, is nearing completion and will be out soon.

The second **"Outdoor Sanctuaries" tour** is tentatively scheduled for **Saturday, September 17, 2022**. We would love to show the talents of our residents by displaying an outdoor space that you may have enhanced during Covid. Do you have such a space or know a person who does? The success of our tour is due to your generosity and willingness to share. Please contact city hall or one of the historic commissioners if you are interested or have questions. We would love to have you!

The Historic Commission is always accepting applications. Apply online or at city hall.

2022 *Tax Payment* Information

Tax bills will be mailed the beginning of July and are due July 31, 2022. If you are responsible for the payment (rather than a mortgage company) and have not received your bill by July 14, please contact City Hall for a copy.

The City of PR allows summer tax bills to be paid one of two ways. You may pay in one lump sum, or in eight monthly installments.

Payment must be made in full in July, or the first installment payment must be paid by Jul. 31, 2022.

If you wish to take advantage of the installment option, the simplest way to accomplish this is to pay one-eighth of the bill for each installment. You will be receiving payment coupons that reflect each payment amount, which must be returned with your payment.

2022 TAX PAYMENT DATES:

**Jul. 31 • Aug. 31 • Sep. 30 • Oct. 31 • Nov. 30
• Dec. 31 • Jan. 31, 2023 • Feb. 28, 2023**

Interest penalties on any late payment are charged at a rate of 1% per month retroactive to July 31. On the payment plan, the penalty is tested against the total payments made, so if the cumulative eightths are not at the expected total for the payments made at the test date, an interest penalty will be assessed.

PLEASE NOTE: If payment is postmarked on the due date, it is deemed as paid on the due date. However, if the City Hall drop box is used, the payment must be received prior to midnight. If payment is received after that time, it is considered late and an interest penalty will be assessed.

Checks are accepted as conditional payment and if returned unpaid by your financial institution, the payment is deemed unpaid and an interest penalty will be assessed. In addition to this penalty, an administrative fee of \$30 will be charged for the returned check. Checks and credit card payments are accepted in person and online through the City's website.

If you have any questions, please contact City Hall.

Pleasant Ridge "Leaders in Training" Program 2022

The LIT Program allows for our teen population to develop strong leadership and "taking initiative" skills. LITs spend the summer making new friends, gaining work experience and having fun. LITs will receive training and "on the job" feedback, support and evaluation.

**Summer LIT opportunities include:
Current 7th Grade (2021-22 school year) &
Up: Summer Camp, Special Events, Outdoor
Pool and Front Desk.**

There is a nominal fee for the LIT Program to help offset some of the costs incurred with the program. The fee covers LIT training, t-shirts, and supervision. \$25 for the summer.

LIT applications are available at the Front Desk NOW and must be turned in by May 12. App. fee: \$25

Full payment must accompany the application as well as the availability calendar attached to the packet. Late applications will not be accepted. Every attempt is made to accommodate as many applicants as possible, but spaces are limited. Placements are based on age, previous experience and availability. Program only open to PR residents, limited to 25 spots.
