Water Infrastructure Millage Proposal

Shall the City of Pleasant Ridge be authorized levy up to three and one half (3.5) mills per year, for years 2022 through 2051, in excess of its Charter authorized tax rate as reduced by Section 34, Article IX of the 1963 State Constitution, such additional millage to be used to finance water infrastructure projects including water main replacement and construction, public and private lead service line replacement, and associated restoration work within the City of Pleasant Ridge? It is estimated that 3.5 mills would provide \$620,993 if levied in full in 2022.
