## Ferndale Schools Strategic Planning Update

Hello Ferndale Family,

As we shared earlier this year, we are in the midst of creating a new Strategic Plan for Ferndale Public Schools. We have formed a committee of 20 stakeholders, and we want to make sure that we hear feedback from our entire Ferndale Family. Please know that you are encouraged to share your feedback with anyone on the committee so that they can pass it along for consideration. If, for any reason, you are unable to share your feedback with a committee member, please feel free to email the committee.

**STRATEGICPLANNING@FERNDALESCHOOLS.ORG**

This email is monitored by our Strategic Planning Coordinator and all information sent to this email address is shared with the committee and taken into consideration.
